Sire Directory**

# Sire Directory

This year the Council has provided a complete Sire Directory in alphabetical order.

To appear in the Irish Simmental Cattle Society Sire Directory, bulls must be AI coded, reaching the full DAFF health requirement and have semen available through an approved A.I. Centre.

In addition to this and in the section that follows, all information relating to each bull's CURRENT reliability is detailed. Please note that this information is correct at the time of going to print, however for most recent information and updates throughout the year you must consult [irishsimmental.com](http://irishsimmental.com) or [icbf.com](http://icbf.com)

Every effort has been made to ensure the accuracy of all information within this Sire Directory, however the Council accepts no responsibility for any error, however will make any required corrections or updates at the first available opportunity.

# ICBF Bull Search

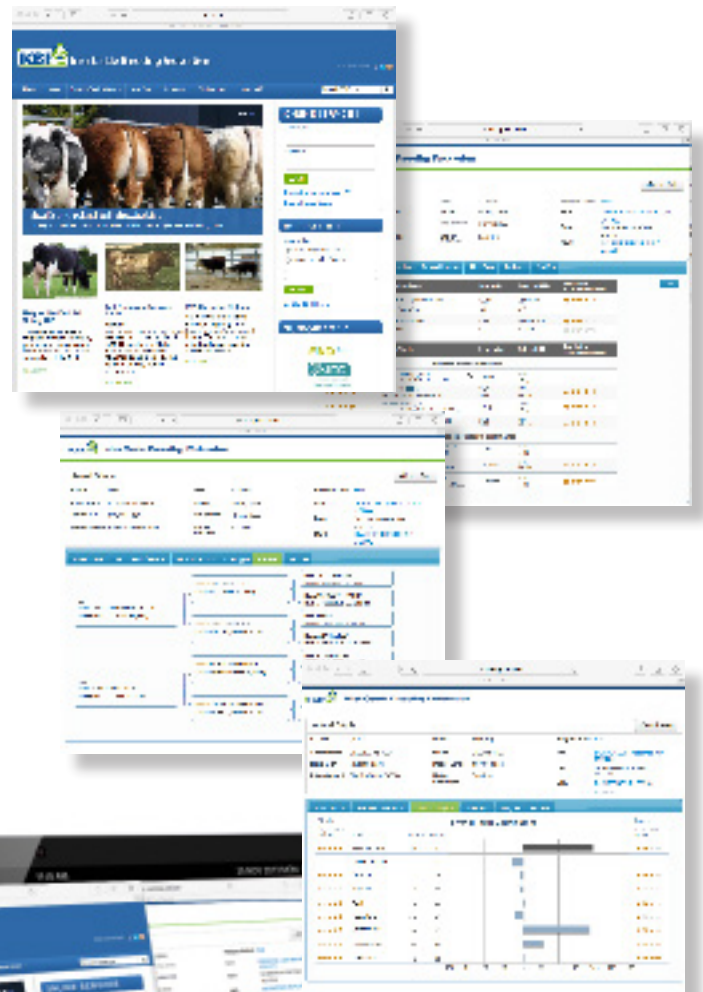

## for a Bull's most up-to-date €uro Stars

The ICBF 'Bull Search' facility on the ICBF website ([www.icbf.com](http://www.icbf.com)) is where you can find out the most up-to-date €uro Stars of any AI Bull, Stockbull or Young Bull that you are thinking of buying.

The indexes for each bull on this list are from the **December 2015 evaluation run**. However, indexes are updated three times per year; **April, August and December**.

New calves, weights and carcasses etc. could come into a Bull's indexes at each of these evaluation updates, **potentially causing his €uro Star figures to change**.

It is, therefore, important that you check the online bull search at [www.icbf.com](http://www.icbf.com) to see the most up-to-date index for a bull.

### Step 1

Enter [www.icbf.com](http://www.icbf.com) into your internet address bar

### Step 2

Go to the 'Bull Search' and enter the tag number or AI Code of any pedigree bull and click 'search'. That animal's most up-to-date €uro Star figures will then be shown

# ICBF Eurostar Evaluations January 2016

ICBF runs 3 Evaluations per year and bulls up to data evaluations can be checked on the On-Line Herdbook (Sire Directory) on the Irish Simmental Cattle Society Website
