Presidents Address

A Chairde,

I would like to sincerely welcome you all to our latest edition of the Irish Simmental Yearbook.

My name is William O'Halloran of Bearna-Dhearg Simmentals and I am a native of Cahir, Co. Tipperary where I farm one hundred acres on a part-time basis with the help of my wife Mary and son Robert.

Bearna-Dhearg Princess ET – Reserve Overall Female Champion & National Yearling Heifer Champion Tullamore 2023

It is a great honour for me personally and for my family to represent you as President of the Irish Simmental Cattle Society.

We milked around fifty cows mainly Montbeliarde up until 2009, so when choosing a different path, it was fair to say I liked the red and white! We purchased our first four cows at the Clonagh Reduction Sale of 2009 and followed this with many more purchases from various breeders throughout the country since. One breeder to mention is John Kenny from the Ballyduff Herd in Co. Waterford from whom we purchased many very successful females for our herd.

The Simmental Breed comes out on top time and time again as they continually deliver on Weight Gain, Feed Conversion, Temperament and Ease of Management. It is very satisfying for me to read recent AHDB National Beef Evaluation results in the UK which places Simmental as the No: 1 Breed for these traits.

This at a time when our friends in ICBF are questioning the Replacement & Terminal attributes of our breed. Acknowledging that both gene pools are so interrelated is not possible for both AHDB and ICBF to be correct.

I would strongly urge all society members young and old to show support and have their voices heard at club meetings and events throughout the country. There is great strength in numbers and our regional clubs really need the continued support.

Council is working very well together and are strongly committed along with other Breed Societies to ensure that ICBF refocus on their mission statement which is "to provide evaluations to assist farmers in decision making" rather than currently dictating to farmers.

I would like to wish all Breeders an enjoyable year showing and great success selling Simmental cattle at home and abroad while making many acquaintances along the way. I would like to thank my fellow Council Members for selecting me as President of this Society and a special word of thanks to Peadar Glennon and Marian Bergin for their dedication and willingness to assist all breeders.

I have made many great friends through Simmentals since my first purchase in 2009 and if I can be of any help to any Member throughout the coming year, please feel free to contact me.

*Yours Sincerely,
William O'Halloran.*

ALICE MULLEN - DRUMNEIL SIMMENTALS

Alice Mullen purchased her foundation Simmental in 1975 - a Siegfried heifer, in calf to Hamlet and established the Drumneil herd on the borders of Monaghan and Armagh.

In over four and half decades since then, she has produced many prizewinning cattle at National and regional shows and continues to supply breeding stock to pedigree and commercial herds north and south of the border. Alice was also a strong supporter of the National Bull Performance Test Centre in Tully, providing many bulls for test programs there. In 1992 Alice sold Drumneil Bolero to the Northeastern Cattle Breeding Society, which was based at Ballyhaise, Co. Cavan and later

amalgamated into NCBC. This Magheracrigan Special sired bull was out of a homebred Herrscher dam Drumneil Princess who in turn was out of a Siegfried dam.

Alice Mullen pictured receiving the 2022 Hall of Fame award from Junior Minister for Agriculture Pappa Hackett.

Alice was elected to the offices of Chairperson and Secretary of the Northeastern Club, positions she held for many years. Having established a strong promotional team in the Northeast, she travelled with them throughout the 9-county region devising and promoting numerous events for the furtherment of the breed.

Throughout her various terms on the National Council, Alice represented the Irish Simmental Society as its Delegate at the World Simmental Council meetings. Her networking and negotiating skills played a crucial role in securing the Simmental Word Congress for Ireland in 2000.

The Congress proved a wonderful opportunity to showcase the quality of Irish Simmental to the delegates from the 22 attending countries. The planning and running of the Congress involved a huge amount of additional work, and Alice carried much of this extra workload, quietly, and mostly behind the scenes. The smooth running of the Congress was widely applauded by the delegates, and it served us well in enhancing the reputation of Irish Simmentals throughout the world.

A wholehearted supporter of the benefits of showing cattle, and a long-time exhibitor herself, she is particularly interested in promoting young showmanship. During her time on National Council Alice championed the establishment of the YISA and secured additional resources to encourage greater engagement by young members with the breed.

Throughout her time serving in the various positions she held on Council and with the North Eastern Club, Alice has been tireless in her unselfish efforts on behalf of her fellow Simmental breeders. She has played a very significant role in the progress of Irish Simmental both within Ireland and overseas.

It is very encouraging to see Alice still as passionate today about the Simmental breed and its merits after a lifetime's involvement.

Presentations

Ms Georgina Ganly of the Irish Cancer Society commented upon receipt of the cheque:

"We are so incredibly grateful to the Irish Simmental Cattle Society for their hard work and efforts in bringing this charity auction to life in celebration of their 50th anniversary. Receiving a cheque for €13,100 is truly amazing and we can't thank your contributors enough for this."

The Irish Cancer Society funds life-changing cancer research projects and provides free support and care to cancer patients and their loved ones across Ireland.

We typically receive just 3% of our funding from the Government, so it's thanks to the generosity of fundraisers such as this that means we are able to provide services and support to ensure nobody in Ireland has to face cancer alone.

Peadar Glennon ISCS presenting the cheque of €13,100 raised at the 50th Anniversary Charity Auction to Irish Cancer Society representative Georgina Ganly

Your incredible support and generosity will continue to bring real and lasting benefits to the lives of cancer patients, survivors, and their families. Through donations like this we can ensure vital services like our freephone support line, volunteer drives to bring people to and from chemotherapy appointments, night nursing for end-of life care, crucial research plus so much more will be provided to help support cancer patients and their loved ones.

Thank you from everyone at the Irish Cancer Society for your support."

IRISH SIMMENTAL CATTLE SOCIETY

On Wednesday August 2nd 2023, we visited the long-established Lakeview Herd of Kay Keane, Urlaur, Kilkelly, Co. Mayo.

The Lakeview Herd was established in 1979 by Kay's father, the late Frank Keane, following the purchase of Ballybane Helen. The main purpose of our visit was to see Lakeview Cameo a 2011 born cow who is just 5 generations removed from an original import "Lunte Imp `72A".

Lakeview Cameo 1	Born 2011	Dam: Lakeview Molly	Sire: Curaheen Tyson
Lakeview Molly	Born 2001	Dam: Lakeview Georgina	Sire: Freighduff Brendan
Lakeview Georgina	Born 1996	Dam: Lakeview Violet	Sire: Seabank Blanco
Lakeview Violet	Born 1988	Dam: Ballybane Helen	Sire: Hurtig
Ballybane Helen	Born 1978	Dam: Lunte Imp `72A	Sire: Noe IMP.'75A

Lakeview Cameo a July 2011 born cow, had her first calf at 33 months in March 2014 and her calving record her having a calf every year since. Her current calf is her 10th calf, a May born Leeherd Lynx bull calf.

Kay's other two cows in her herd are Lakeview Marita and Lakeview Lauren, are both out of Lakeview Wave who also goes back to Ballybane Helen.

Lakeview Marita	Born: 2020	Dam: Lakeview Wave	Sire: Curaheen Earp
Lakeview Lauren	Born 2019	Dam: Lakeview Wave	Sire: Auroch Deuter PP

Lakeview Wave	Born 2008	Dam: Lakeview Ronald	Sire: Planet
Lakeview Raonad	Born 2004	Dam: Lakeview Lorna	Sire: Hillcrest Champion
Lakeview Lorna	Born 2000	Dam: Lakeview Georgina	Sire: Freighduff Brendan
Lakeview Georgina	Born 1996	Dam: Lakeview Violet	Sire: Seabank Blanco
Lakeview Violet	Born 1988	Dam: Ballybane Helen	Sire: Hurtig
Ballybane Helen	Born 1978	Dam: Lunte Imp `72A	Sire: Noe IMP.'75A

On Friday January 26th 2024, we called back to Kay to have a look at her unique setup for housing her cows. Her cows are in a cubicle parlor and are feed via outside trough. Kay says that "the cows can always see what is going on and are always very happy in this environment".

WINSTON & MARY ASHMORE - CORAH SIMMENTALS

The Ashmore Family farm in Ferns just outside Enniscorthy Co. Wexford. They were first introduced to the Simmental breed when at the RDS Spring Show in 1973, where the impression created by the bull Hamlet and a pen of his heifers exhibited by Dovea is remembered to the present day. A decision was made to establish a Pedigree Simmental Herd and an import licence was applied for and in 1975 a consignment of 8 heifers arrived in Ferns direct from Austria.

Always keeping a watchful eye on bulls at the Tully Test Station, Winston purchased his first stockbull Tower Gubble a Tully graduate in 1979 from J.P. McDonnell from Monaterboice, Co. Louth. Tower Gubble was a son of Midas who was a half-brother of Mist. Mist is notable for siring among others Star

Hugo (IS2) and Star Fanny who in turn was the dam of Camus Solitaire. Tower Gubble went on the be judged as Overall Breed Champion at the RDS Spring Show in 1980. The next stockbull purchased was none other than Star Rover from the Prumplestown Herd in Castledermot, Co. Kildare. Star Rover was later sold to Dorothy Moffat in Scotland, and he went on the sire Innerwick Chieftain who in turn sired a Perth Champion. Both stockbulls were the foundation to which all cows in the herd today can be traced back.

Both Winston & Mary have been very actively involved in the Simmental Society with Winston serving as Council Member for the Southeast Club and also holding the office of President of the Society. Mary served as Secretary of the Southeast Club for 15 years during the late eighties and early nineties.

Today, Winston & Mary together with their son Julian run their 25-cow pedigree herd alongside their tillage enterprise. Their reputation for breeding quality cattle has enabled the Corah herd to establish a solid repeat customer base in the Southeast with both Suckler & Dairy farmers.

The passion for Simmental cattle in the Ashmore Family is as strong today as when the Austrian importation arrived.

Needless to say, this will ensure that Simmental animals will be seen grazing along the banks of the Slaney for many years to come.

Winston & Mary Ashmore pictured receiving the 2023 Hall of Fame Award from Adam Woods IFJ

DENIS O'HALLORAN

Denis O'Halloran of Main Street, Tulla, Co. Clare passed away in March 2023 after a short illness. Denis was a quiet man who mostly kept his thoughts to himself but for those who knew him, his friendship was unwavering.

Denis's life revolved around farming with his main passion being Connemara Ponies, Simmental Cattle and good working Collie Dogs. Denis kept 30 Pedigree Simmental cows and registered his calves under the Tulla Prefix. Denis was a regular at Roscommon Sales and exhibited the Yearling and Weanling Heifer Champions over the years.

Denis liked showing but found time and help challenging. His success with Tulla Terence a Hillcrest King son when winning the Southwest Club title in 2006 was particularly pleasing to Denis. This bull was later purchased

by Andrew Sleight, Aberdeenshire at Roscommon the following November. Denis's last time to exhibit at the National Livestock at Tullamore was in 2018 when his junior Bull Tulla Jaguar won the National Junior Bull Championship. Tulla Jaguar has gone on to leave his mark on the Simmental Breed for his owners at Coose Simmentals. Nothing pleased Denis better than the realization that his herd at Tulla could compete and hold its own with the best.

Denis loved natural easy fleshing animals and often referenced the biggest influences on his herd as follows: Raceview E-Doc, Hillcrest Jerome, Ballyduff Jeweller, Auroch Anto P and Curaheen Evolution.

Denis will be greatly missed by his many Simmental friends, but they will be happy in the knowledge that his name will be remembered on occasions when the Tulla Prefix appears in the back pedigree of winning animals for years to come.

MARY O'RIORDAN

Mary O'Riordan was born and reared on a beef and tillage farm in Ballyspillane, Midleton, Co. Cork. She married Thomas O Riordan, a dairy farmer from Ballyedmond, nearer Midleton in 1960. Unfortunately, she was widowed a few short years later in 1964, leaving her to rear three very young children, including her son Tom, who was born three months after his father died.

Mary continued farming with the help of her brother John. In 1982, Mary and Tom purchased their first pedigree Simmental heifer from the late Pat Lynch, Ladysbridge, Co. Cork, namely Castloma Lassie. This was the start of a pedigree Simmental herd together with a dairy enterprise. Mary quickly developed a love for the Simmental breed and so for the next 30 years, she enjoyed attending and participating in local and national shows, sales etc. She catered for the hospitality side of The Southern Club for many years, making teas, sandwiches etc, travelling with the clubs promotional caravan at the time.

Mary made many friends and acquaintances throughout the years and enjoyed the competitive side of cattle showing. She constantly inquired as to what pedigree cows had calved and enjoyed thinking of names to call the new born calves from year to year. Sadly Mary passed away suddenly but peacefully in her home on the 22nd May 2023, aged 86 and after bravely enduring covid lockdown and an illness for the last few years of her life.

P.J. TIMLIN

In July 2023 the Western Simmental Club lost a great advocate of the Breed with the death of P.J. Timlin. From Ballinrobe in Co. Mayo, P.J. was an auctioneer by profession and was very highly respected by all, be it buyers, sellers and Mart Staff.

P.J.'s first Simmental purchase in 1999 was Coolain Hannah, an in-calf heifer from Thomas Jennings Clonfad, Co. Roscommon. When she calved in January 2000, P.J. established the Mask Herd, and he had a feeling that this Freighduff Brendan heifer was extra special and how right he was. Mask Lill went on to win the Cashel Engineering National Heifer Calf Championship at Mountbellew that year and the following year won her class at the RDS Show at Goffs.

Mask Lill – National Heifer Calf Champion 2000 pictured with Adrian Richardson, P J Timlin and Paul Culinane

P.J. was part of a Simmental breeders' trip to the Perth Bull sales in Scotland in 2003 and made many friends over the course of the tour. P.J. often reflected on the trip citing how he would be a match for anyone on the rostrum at Perth.

P.J. became a very active member of the Western Simmental Club and held the position of treasurer for many years. P.J. cherished the friendships made through his involvement with the Club and was always willing to help. His friendly greeting for all exhibitors always ensured the Ballinrobe Show had a great turnout of cattle and with P.J. as livestock MC, the day was always well remembered.

VAL CUSSEN

In March 2022, Val Cussen from of Glenduff, Broadford, Co. Limerick died suddenly. Val was a family man who loved farming and traditional music.

Val established the Glenduff Pedigree Simmental Herd in the early 2000's and enjoyed showing his Simmental cattle and meeting his many friends at local shows. Val was a very active member of the Southwest Simmental Club right up until his passing and always brought a different perspective to discussions at Club meetings.

Traditional music was a passion for Val and a good music session shortened many a night for those in his company. Val was very proud of the fact that both his children (8) and grandchildren (23) shared his love for both music and farming.

Described by all who knew him as a "gentleman", Val will be sadly missed but never forgotten.

Topping the bull trade at €7,000 was the Overall Senior Champion, Coose Mackintosh exhibited by father and son duo John & Ronan Tuohy, Co Galway. Judge on the day, Mr. Alan Wilson from the Bannhill Farm Herd in Northern Ireland described his Champion as 'Classy'. This December '20 bull is sired by the home bred Coose Lincoln ET and out of a Curaheen Dam, who is a half-sister to AI bull Curaheen Gunshot. He sold with a five-star terminal index of €119, a calving figure of 5.1%. After a flurry of ringside and online bids, he was eventually knocked down to a Northern Ireland based suckler farmer.

Next up at €5000 was lot 21, Ardunsaghan Magic One, selling for the Connolly Family, Co Leitrim. This December '20 born bull is sired by Curaheen Wakeman and out of Clonagh Kim Willow who herself is by Bruchag Glenfiddich. He catalogued with a page full of stars and a calving figure of just 3.3%. This one selling across the water to Gordon Clark's 'Broombrae Herd', Fife in Scotland.

Rathnashan Maple Syrup P ET for Nigel & Patrick Hogan, Co. Carlow, one of the oldest bulls on offer, selling for €4600. On the day, this dark red polled bull born September '20 was Senior Reserve champion in the pre sale show. This Curaheen Gunshot sired bull is out of Rathnashan Heidi ET, a well-known homebred dam with a page full of stars. Another bull away to Scotland, this time to Gerald and Morag Smith's 'Drumsleed Herd' in Kincardineshire.

Hitting the €4200 mark was Marsha Mr. Mac for Michael Glennon, Co. Roscommon and shown by his son Martin. Born October '20 with a calving figure of 2.9% this long dark red bull is sired by AI Bull, Seafort Gill and is out of Glebefarm Candice Imp, a Sheestown Tsar Dam. This bull was wrapped up by a repeat Galway suckler farmer.

€16,200 Tops Simmental Premier March '23

A very strong show in the morning under the watchful eye of the judge, Mr. Jonny Hazelton from the Ranfurly Herd in Dungannon, Co. Tyrone had all exhibitors eagerly awaiting the afternoons sale and it did not disappoint.

Setting all the headlines was the Senior Champion Bull Coose Nebraska P exhibited by John Tuohy, Whitegate, Co. Galway. After a bidding battle under the stewardship of Auctioneer Tom Cox, €16,200 was the winning bid and top price of the day. This August 2021 born bull is out of a homebred sire Coose Lincoln ET and out of a homebred Curaheen Evolution P dam Coose Lauren P. Securing this bull was Micheal Durno from Banffshire, Scotland where he will join the Auchorachan Herd.

Exhibiting the Junior Champion was Fergal Doherty from Carrigart, Co. Donegal with his 13-month-old bull Bighill Parker ET. Sired by Curaheen Warrior this young bull was out of the Delfur Decider sired homebred dam Bighill Honey Pie. Parker ET was sold for the second highest price of the day at €8400 and will join the Islavale Herd in Keith, Scotland run by the Stronach Family.

Next up at €5500 was Glanville Phoenix P, a Sneumgaard Imperator PP sired bull who is out of an Antrim Bodybuilder dam Fearn Glamour ET. This 12-month-old bull was sold by Sean Larkin, Kylebrack, Co. Galway and will join the Manor Park herd of Clive Houdley in Lockerbie, Scotland. Interestingly, the purchasers of the three top priced animals are no strangers to Roscommon, having purchased many Simmental Stockbulls at the venue and really admire the quality of bulls brought forward for sale by Irish exhibitors.

The Reserve Senior Champion Clonagh Nevada Sky was exhibited by Garrett Behan, Ballyfin, Co. Laois. Sired by the herds senior stockbull Manor Park Handsome this September '21 born bull is out of an Omorga Volvo homebred dam Clonagh Happy ET and sold for €4600.

Bighill Parker ET €8400

- €4000 to Paddy & Elaine Hennelly, Co. Sligo for Seepa Paco. This 12-month-old bull is sired by Hillcrest Champion and out of Seepa Gem who in turn is sired by Bel Dhu Capercaillie.

In summary the bull trade was very positive with a noticeable trend being the fact the Irish Suckler Farmers are now looking at Simmental for their strong terminal as well as the maternal traits. Many farmers who breed Simmental replacements see weight gain and early slaughter age as key advantages to the breed. The sale recorded a 60% clearance in the bull section with an average price of €4209.

In the heifer section, Donegal Breeder Roger Gibbons stole the Show exhibiting both the Champion and Reserve of the day.

Standing at Overall Heifer Champion was Gortin Nepeta P a September `21 born heifer. Sired by Curaheen Gunshot P and out of Gortin Jennie a homebred Curaheen Dickens sired dam. The Gibbons family who are based in Lifford sold this stylish heifer for €3200.

Selling at €3000 was the Reserve Champion Gortin Nigella P also for the Gibbons Family. Again, sired by Curaheen Gunshot P this November `21 born heifer is out of a Clonagh Direct Debit Dam Bayview Grace.

NE Simmental Club Scottish Farm Tour 2023

In September 2023 the North Eastern Simmental Club took sail across the water to Aberdeenshire to visit four Simmental herds. We would like to thank Delfur Simmentals, Corskie Simmentals, Islavale Simmentals & Auchorachan Simmentals for taking the time during a busy farming period to show us their splendid Simmentals. A huge thanks to each family for hosting us. The time & hospitality shown to us was exceptional. It was a pleasure to see quality stock and fantastic bloodlines.

Many Friendships made will be long lasting.

South Eastern Club Report 2023

BY EOIN COOGAN

2023 was a very active year for our club. Several of our members had success across shows and sales. While attendance at meetings has seen a gradual increase.

Herds Competition

Our club was delighted to welcome Callum Croft and Lizzie Harding across the water to judge our 2023 herds competition. Our primary goal for this Club activity was to engage members both new and old to showcase their stock while also encouraging them to get involved with our club proceedings and activities.

Callum thanked all of the herds involved for giving up their time to showcase their cattle which were a credit to everyone involved. He also commented about the difficulty in judging some classes. In total, 15 herds competed. This culminated in both new herds picking up their first rosettes and longer established herds adding to their already impressive trophy cabinets. With a lot of different winners, the results can be seen on our newly created Facebook page (Irish Simmental Club SE)! The following were the overall small, medium, and large herd winners.

	1st	2nd	3rd
Small	Tisaran - Martin Mooney	Derrylamogue - Tom Flanagan	Acushla - Eoin Coogan
Medium	Mooneking - David King	Jennalyn - Lyndsey Behan	Rathnashan - Nigel Hogan
Large	Clonagh - Garrett Behan	Kilcloran - Gabriel Macdonald	Anatrim - David Brickley

The club Herds competition concluded with a well-attended club meeting and awards party at the Killeshin Hotel Portlaoise where we had the pleasure of being addressed by our newly elected Society President William O'Halloran. We look forward to the 2024 edition of this new competition and hopefully welcome more new entrants.

2023 Shows

Several of our members were successful this year on the show scene. The highlight for our club was Nigel Hogan's success in Tullamore when he collected Supreme Champion Simmental with Rathnashan Pippa Harper ET (Carnkern Titan X Auroch Deuter PP). Nigel was also successful in Strokestown with Rathnashan Randy when he secured National Senior Simmental Bull calf champion.

- Tullyfarm Pretty Fallon (Derreen Jack X Milnafua Graduate) was also successful this year for Ciaran Kinahan in both Longford where they collected Champion and Mullingar where they received Reserve Champion.

- Acushla Princess Bee (Brideland Mustang X Manorpark Hansome) collected overall Simmental champion at the Tinahely show for Eoin Coogan before placing 3rd in the Yearling heifer class in Tullamore.

New Year, New Challenge

With 2023 being such an active and competitive year for our club, we would like to thank all committee members, volunteers, members of council and the ISCS staff for their work and support throughout 2023. A special mention must go to Liam Martin who has completed his second term on council. The SE club would like to warmly thank Liam for his work over the two terms.

The outlook for 2024 is looking likely to be a very challenging year for not only our breed, but the Irish Pedigree sector as a whole. However, quality will always rise to the top!

SIRE DIRECTORY

SIMMENTAL SIRE DIRECTORY 2024

Welcome to the ISCS Sire Directory for 2024. Council have again compiled the attached list of bulls for whom semen is available through the AI network.

To appear on this listing bulls must be AI coded, reaching the full DAFF health requirements and have semen available for distribution through an approved AI centre.

Royalty Sires - Please note that a number of bulls listed have a royalty price included. This means that for any pedigree registration from these bulls an additional registration charge as listed applies.

Evaluations - Council has decided not to print any evaluations for the bulls included as these evaluations can change following each evaluation run. However, all current evaluation information is available for each bull from ICBF and can be accessed on www.icbf.com

Disclaimer: Every effort has been made to ensure the accuracy of all the information within this Sire Directory. Council will not accept responsibility for any errors contained in this Sire Directory but will make the required corrections at the first available opportunity.
