## National Simmental Show 2019

**JUDGE: ANNE  
MACPHERSON**

**I**'d like to thank everyone involved in the Tullamore Show for inviting me to judge the Simmentals in 2019, and for making us so welcome.

There was a tremendous turnout of cattle and the weather was kind to us, staying dry until we got through the judging.

There were too many classes to comment on them all in this short report, but I can say that we had a pretty impressive line-up of class winners for the championships.

My Supreme Champion, Clonagh Jubilant Fabulous stood out to me as soon as she came into the ring in her class. She has a great carcass, but still very feminine and a good mover. On the day her youth carried her over her senior herdmate Clonagh Darling Eyes for the Female Championship, still a tremendous cow, but showing her age a bit now for the show ring. Darling Eyes followed through to be Reserve Supreme Champion.

To have two such great females at the top of the line-up was testament to the quality of the Simmental breed.

I didn't realise it at the time, but my Junior and Reserve Junior Females were embryo sisters from Lissadell. They are certainly a super pair to watch for the future.

**Supreme Simmental Champion, Overall Female, Senior Female and **NATIONAL** Junior Heifer Champion Clonagh Jubilant Fabulous.**

The power of the Senior Bull Manor Park Hansome carried him through to be Overall Male over the National Junior Bull Clonagh Kaboom Kid, a growthy, well fleshed young bull.

My Junior Male Champion Bearna-Dhearg Kawasaki was a very smart, well put together young bull who paraded very well.

Once again I would like to thank the Society, Show and all the exhibitors for their hard work and enthusiasm to put forward such an impressive show of Simmentals.

## National Simmental Calf Finals 2019

**Sponsored by Dovea Genetics**

**JUDGE:  
MICHAEL  
BARLOW**

**M**y sincere thanks to Strokestown Agricultural Show and the Irish Simmental Cattle Society for the invitation to judge the 2019 National Simmental Calf finals which is a very prestigious event.

### CALF FINALS

The first class of the finals was the Senior Heifer Class, this was won by Clonagh Kiana Miss Joan, a very smart and stylish heifer which showed to have plenty of growth left in her. Second place went to Tawley Kaisse (ET) who was well put together, just not having the presence of my first place.

Second Class was the Junior Heifer, which was won by Rathnashan Livia Empress. She was full

of power and correctness with a super top in her at such a young age. Second place was one of the youngest heifers in the class. She just lacked the power of my first place but is one for the future.

First of the Bull Calf Classes, which was one of the strongest classes of the day, was won by Rathnashan Klum (ET). It was close between both first and second, and on another day could have been switched. Klum was well put together and Locomotion just had my second place, beaten but two bulls with a bright future.

Junior Bull Class was won by Rathnashan Leonardo (ET), this calf just oozed style, width, correctness and was my pick of all the calf champions on the day. Second place was again a young calf with a bright future ahead of him, he just hadn't developed like my first place at the moment.

**The Dovea Genetics Sponsored NATIONAL Simmental Senior Bull Calf Champion Rathnashan Klum ET pictured with Nigel Hogan, Paul Mullarkey & John Dullea Dovea Genetics.**

The new class of Polled Calves saw Rathnasnan Kellogg's (P) (ET) emery as the winner. He was structurally correct with a great head. Second place was polled heifer Fearna Khalessi Tiffany, full of power but not just the style of my first place.

### **STROKESTOWN SHOW CLASSES**

My overall champion was Clonagh Dora The

Explorer, who has a great body on her and a great calf suckling her. Reserve was again a favourite from the day, Cush Krispy, she was stylish and correct not overdone for a young heifer, definitely one to watch for in the future. In conclusion, I would like to thank all the stockmen and stockwomen who put forward a tremendous show of the Simmental cattle for me to judge.

This September '17 born bull is sired by Islavale Frontier and is out of a Raceview All-Star KK Et sired cow Woodhall Daphne. The Judge Norman Robson from the Kilbride Farm Herd in Co. # TULLAMORE

## Exports lift Simmental Tullamore trade

### Judge: Martin Regan

A number of bulls bought by overseas buyers helped somewhat to boost an otherwise very tough trade for Simmental bulls in Tullamore.

The Irish Simmental Society Sale in Tullamore in April proved far tougher than was to be expected with only 15 of the 36 bulls on offer selling. This is a similar number sold as the previous year but with less bulls forward the 2018 sale saw a 58% clearance. Average sale price also took a hit dropping to just shy of €2,500 from the €2,652 witnessed in 2018.

This trade however would've been much worse if not for a number of keen purchasers from Southern Europe. These buyers helped secured a total of five bulls but also helped to lift a number of others.

Along with the interest from overseas, the main highlight stood as the sale of the Overall Male Champion Thornford King Kong. Bred and exhibited by Ryan and Sean Callan from Castleblaney, Co Monaghan, King Kong was

tapped out by judge on the night Martin Regan. This decision was vindicated in the sale ring when the February 2018 born bull went on to sell for the top price of £3,600. Sired by Dovea AI bull Curaheen Gunshot he is out of Auroch Bullet PP bred dam Seafort Fiona. No stranger to success the 14 month old bull was Reserve North Eastern Club February bull Champion in 2018.

Taking the Reserve Male Championship was Clonguish Jer ET from Joe and Sean McGarry. This Milton Lord Tiffany sired bull is out of Raceview King daughter Brogeen Victoria. With a calving index of 7.5% and four stars on the replacement index across breed, Jer failed to meet his reserve and left the ring unsold.

Taking the second top price of the evening was the second prize-winner Towerhill Knockout Kid. This March 2018 born bull is another son of the aforementioned Curaheen Gunshot and was brought out by Seamus and Jennie Aherne, Cappamore, Co Limerick. Five stars on both the terminal and replacement index, Knockout was knocked down by auctioneer Denis Barrett at £3,100.

**The Overall Male Champion Thornford King Kong €3600 pictured exhibited by Sean & Ryan Callan with Martin Regan Judge.**

**The Female Champion Clonagh Kitty Trixie €2000**

The top of Garreth Behan's outfit was the first prize-winner Clonagh Jungle Class. This October 2017 born bull is a son of former herd stock bull Kilbride Farm Dragoon and the homebred Clonagh extra Fabulous. Weighing in at over 1,000kg the five star terminal bull met his reserve and sold for €3,000 to an Italian buyer. As mentioned this was one of five lots secured by overseas buyers on the night, with Clonagh King Of The Jungle also getting the boat selling for €2,800. This bull was the youngest animal catalogue and another son of Kilbride Farm Dragoon. Dam behind the stylish young bull is twice overall Simmental of the year Clonagh Dora the Explorer.

Taking home a price of €2,900 was Gerard Neenan with Fearna Kellstrum. This five star terminal bull is a son of Curaheen Vio and goes

back to the prolific Fearna Tiffany.

In the small female offering the Behan outfit took both champion and reserve. Taking the female championship was Clonagh Kitty Trixie sired by last year's male of the year Bruchag Glenfiddich. Dam Clonagh Gold card is out of the homebred Clonagh Direct Debit and is a maternal sister to previously mentioned Dora The Explorer. Selling for the joint female top price, she was knocked down at €2,000.

Matching her at the money was the reserve female champion Clonagh Krystal Wanda. Another daughter of Glenfiddich this time out of Curaheen Sittingbull daughter Knockane Wanda.
