1. **Whole Herd Performance Recording**

It will not be a requirement for entry to be a participant in the ICBF WHPR Scheme. However Participants will be acknowledged in the Sale Catalogue

2. **Society Sales – Entry Fees**

Sale	Per Animal Entered
Tullamore Sale	€40

(€20 refund for animals failing inspection or who are withdrawn prior to catalogue)

3. **Testing Requirements**

Tullamore Sale – Export Standard advised but not compulsory

4. **DNA Sampling**

Council strongly encourages Breeders to have all animals offered for sale parentage verified either through standard DNA or through the new Genomics scheme and this may become a condition of entry.

5. **Fertility Testing**

Council strongly encourages Breeders to have bulls Fertility Tested prior to sale.

6. **Entry Numbers Per Breeder**

345	529	400	606	455	682	515	752	570	812

8. Inspection Policy

Please note that the following Inspection Policy will apply

- **Tullamore Sale** – Pre Sale Inspection on Evening of Sale.

9. Johne's Testing

Export customers are indicating that Johne's Free Accreditation would be a major advantage on animals that they would consider purchasing. Breeders are asked to be mindful of this and to consider having animals and their dams tested in advance of TB Testing. Another notable point is to, if possible, ensure that samples are sent to a CHECS Approved Lab.

10. Catalogue

Will be published online on Monday 11th of April. It will then be going to print on Wednesday 13th so please make sure all details are correct before going to print.

11. Photographs:

If you have high quality photograph and video of your entry, can you please forward them onto the office for the inclusion on our website and Facebook. Please forward to info@irishsimmental.com.

Note: images deemed to be of poor quality will not be included.
